Want to Avoid Medicare Part D's Donut Hole?**

Please take a look at our generic drug price list and see if we can help you save some money. We have been locally owned and operated for over 10 years. If you have questions about other medications, please do not hesitate to call.

All prices as of 07/01/2014; prices may change at any time due to market changes

All competitor's prices as of 06/01/2013

Must have a new Rx from the physician for the specified quantity. Please call us with any questions; we can assist you in what information to give to your physician

Must have 2-3 business days to process order; if we had to keep a large inventory we would not be able to offer these prices. Most of the antibiotics are in stock! In most cases, we can have antibiotics, anti-nausea medications and migraine medications the next business day

Can mail to patient for a \$5.00 mailing fee

No insurance required. No membership required

Don't see your generic medication on the list? Please give us a call and we'll see what we can do for you
